## Location and arrival

The workshop will take place in Dr. Holms Hotel, which is located in the center of one of Norway's popular skiing resorts, Geilo. See <http://www.geilo.no/en>.

Dr. Holms Hotel (<http://www.drholms.com/en/>) has been a source of recuperation, comfort and well-being since the beginning of the 20th century.

**From Bergen airport:** We recommend taking the airport bus to the city center ("Bystasjonen") and then the train to Geilo from the next door railwaystation.

**From Oslo airport:** The local train to Oslo S leaves very frequently, from Oslo S there is a train to Geilo.
